What is in the set?

- 2 I Spy Sheets
- 2 Answer Keys
- 1 Set of Colored Feelings Flashcards
- 1 Set of B/W Feelings Flashcards

How to Use This Activity Set

- You may want to go over the feelings displayed on the I Spy pages. You can do that by going through one of the sets of flashcards or going over the feeling displayed in the chart.
- Then you will want to have your children figure out how many of each candy corn face there is displayed on the page.
- Your children can write the number of faces found for each feeling with a number or a tally mark. There is one sheet for each way in the set.
- If you think your children will have trouble remembering that they have already counted a piece of candy corn you can have them color the candy corn as they count or put an x on them.
