

Coding 3-5 Choice Board

Click on one of the activities below to explore coding. If this isn't your first time visiting this choice board, please select an activity you haven't done before.

 A cartoon illustration featuring a dodo bird, a calendar, and a large green 'X' on a sign. The text 'DODO DOES MATH' is at the top, and 'CODEMONKEY' is at the bottom.	 A purple square with 'CODE M' in a blue speech bubble, next to a colorful, multi-petaled flower.	 A blue dragon on a log in a green forest. The text 'DRAGON BLAST' is in large yellow letters, and 'TYKOR' is in a red box at the top right.
 A cartoon illustration of a restaurant with a sign that says 'ROBO RESTAURANT DECORATOR'. Two children are standing outside, and a robot is pointing at a menu. 'CODE AVENGERS' is at the bottom.	<p>Let's Learn to Code</p>	 A diagram showing a robot, a 'P1' block, and a 'PROCI' block. A speech bubble says 'You can use the P1 command inside PROCI to make a loop!'. There are also icons for a home button, a loop button, and a 'P1' button.
 A cartoon illustration of a sign that says 'CODE CRAZY CREATURES' in a forest. A cat-like creature and a dog are next to it. 'CODE AVENGERS' is at the top.	 A cartoon illustration of a woman in a white dress, R2-D2, and a woman with a staff and a droid. The text 'STAR WARS' is in the center.	 A cartoon illustration of a robot in a blue and orange suit, a red robot, and a green robot. The text 'GRIDLIGHT HELLO WORLD' is at the top.
