Design a Broom to Ride on STEM Activity

Use blocks, LEGOS or other building tools to create a fun broom for the witch and her friends from the book Room on the Broom to ride on.

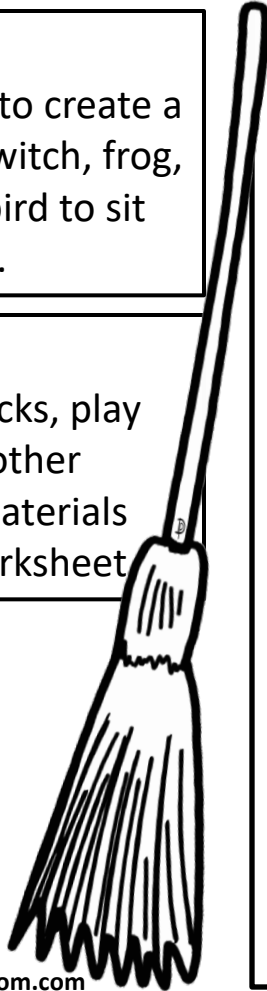

Goal:

You will need to create a place for the witch, frog, cat, dog and bird to sit on the broom.

Supplies:

- Blocks, bricks, play dough or other building materials
- Broom worksheet

Draw the plan for your broom or a picture of what you created.
