How to Use This File Folder Set

- Print out the Feed the Bats Sum Candy pages.
- Glue the 3 to 6 pages to the top of a folder and the 7 to 10 page to the top of the page.

You could place each page in its own folder.

- Print out the candy equations onto cardstock and laminate them.
- Have your children place the candy equations in the bat bag's mouth that display the sum of that equation.
- Some children will need counters to help them add the numbers to together to find the sum.
