Ladybug Math Game- Addition

- Children will place a marker (button, bottle cap, bread tag, etc.) on the word Start.
- Then they will take turns rolling a single die.
- After they roll the will move forward that number of spaces. If they space says card, they will pick up a card.
- All the cards display a tens frame. Children will say how many dots or square a filled on the frame. Then they will need to say how many more dots need to be added to equal ten. Finally, they will need to say the number sentence or equation their card represents.
- The child who reaches the word End first wins the game.
