Ladybug Math Facts

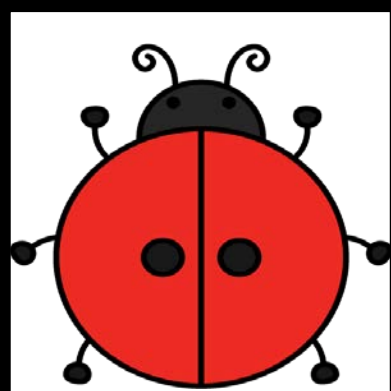

Ladybug Math Game- Addition

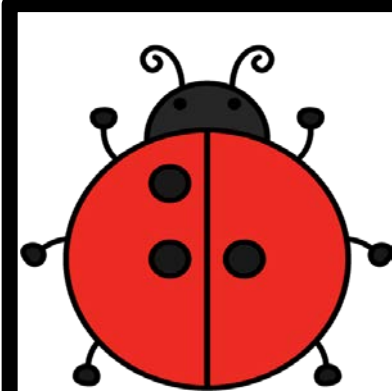

- **Children will place a marker (button, bottle cap, bread tag, etc.) on the word Start.**
- **Then they will take turns rolling a single die.**
- **After they roll the will move forward that number of spaces. If they space they land has the word card on it, pick up a ladybug card. Children will need to add the dots on both sides of the ladybug to find the sum of the dots on each bug.**
- **If they get the sum correct, they will move forward one space. If the answer is wrong, they will stay on the card space.**
- **The child who reaches the word End first wins the game.**
